

Electric Step-Through Scooter with Rear Storage

This electric scooter features a step-through frame design and a rear storage compartment. It is equipped with a front headlight, rearview mirrors, and a kickstand.

Overview

Designed for Efficiency and Comfort

This electric step-through scooter is engineered for convenient urban commuting and short-distance transport. Featuring a user-friendly step-through frame design, it ensures easy mounting and dismounting for riders of all levels. The inclusion of a dedicated rear storage compartment makes it a practical solution for carrying daily essentials or small cargo safely.
