

Electric Step-Through Scooter with Storage

This electric scooter is designed with a step-through frame for easy mounting and dismounting. It includes a front basket and rear storage box, making it suitable for urban commuting and short trips.

Product Overview

Urban Mobility Solution

This electric step-through scooter is engineered for efficient urban commuting and short-distance travel. Featuring a convenient step-through frame design for easy mounting, it includes both a front basket and a rear storage box for versatile cargo capacity. The integrated lighting system ensures visibility, while the stylish red finish and alloy wheels provide a modern, professional aesthetic.
