

# Electric Wood Cutting Chainsaw

This electric chainsaw is a powerful and efficient tool designed for cutting wood. It features a durable chain and a high-performance motor for smooth and fast cutting.

## Product Overview

### High-Performance Electric Chainsaw

This electric chain saw is a powerful and efficient tool designed specifically for wood cutting tasks. Engineered with a high-performance motor and a durable chain, it ensures smooth and fast operation for pruning, limbing, and light to medium-duty cutting. The ergonomic design prioritizes user comfort, helping to reduce fatigue during prolonged use.

## Technical Details

Model Number	M1L-KW02-405
--------------	--------------

## Safety & Features

Safety Features	Chain Brake, Hand Guard
-----------------	-------------------------

## Usage

### Primary Applications

- Pruning
- Limbing
- Light to medium-duty cutting
