

# Elegant Fabric Shade Floor Lamp with Glass Accent

This elegant floor lamp features a dark fabric lampshade and a decorative glass and metal stem. The lamp is designed to provide ambient lighting and enhance the aesthetic of any room.

## Product Overview

### Sophisticated Ambient Lighting

This elegant floor lamp combines a classic fabric shade with a modern steel and crystal glass stem, designed to elevate any interior space. Standing at 63 inches tall, it provides warm, ambient lighting suitable for professional or residential environments. The modular design allows for the base and shade to be purchased separately, offering flexibility for custom procurement needs.
