

Elevator Cabin with Wood Panels and Decorative Mirror

Elevator cabin featuring wood-paneled walls, a decorative mirror, and framed artwork. The ceiling incorporates recessed lighting and a marble-like floor.

Product Overview

Modern Luxurious Elevator Interior

This premium elevator cabin features sophisticated wood-paneled walls and an integrated decorative mirror, creating a refined atmosphere for high-end commercial or residential buildings. The interior design is complemented by professional-grade recessed ceiling lighting and a central illuminated panel to enhance spatial brightness. With its elegant marble-style flooring and framed aesthetic details, this cabin configuration offers both durability and a high-end visual appeal for professional environments.
