

# Engine Cylinder Head Gasket for Daewoo G15MF

This gasket is designed for Daewoo G15MF engines. It provides a reliable seal between the engine block and cylinder head, preventing leaks and maintaining optimal engine compression.

## Product Overview

### High-Performance Cylinder Head Gasket

This precision-engineered cylinder head gasket is designed to provide a reliable seal between the engine block and cylinder head, effectively preventing leaks and maintaining optimal engine compression. Constructed from durable asbestos materials, it is built to withstand high temperatures and pressures common in demanding engine environments. This component is specifically designed to meet or exceed OEM specifications for the G15MF engine, ensuring a perfect fit and consistent, long-lasting performance.

## Compatibility & Fitment

### Fuel Compatibility

Diesel • Gasoline

### Compatible Engine Models

G15MF

## Technical Details

### OEM Reference Number

96181216

### Overhaul Full Set Reference

S1140005

### Material Composition

Asbestos
