

Ergonomic Grip Pliers Set

This set includes pliers designed for various gripping and cutting tasks. Constructed with durable metal components and spring-loaded mechanisms, the pliers feature ergonomic green handles with red accents.

Product Overview

Professional Ergonomic Pliers Set

This versatile pliers set is engineered for efficiency in both plumbing and general repair environments. Featuring ergonomic handles with a distinctive green and red design, the tools are built to reduce hand fatigue during extended use. The set includes specialized needle-nose pliers for precision tasks alongside standard pliers for robust gripping and cutting applications.
