Product Overview

Aromatherapy and Ambient Lighting

This Essential Oil Diffuser Lamp combines the functionality of an aromatherapy diffuser with the aesthetic appeal of a vintage-style Edison bulb lamp. Designed to operate via gentle bulb heating, it warms essential oils to an optimal temperature of 50-60 , ensuring a consistent and relaxing fragrance release. Its sleek design, featuring a polished metal base and glass shade, makes it a perfect addition to bedrooms, living rooms, or office spaces seeking a calming atmosphere.
