

Evaporative Air Cooler

This evaporative air cooler provides efficient cooling for personal spaces. It utilizes water evaporation to lower the ambient temperature, offering an energy-efficient alternative to traditional air conditioning.

Overview

Efficient Laundry Solution

This top-loading automatic washing machine is engineered for efficient and convenient laundry care in various household environments. It features a user-friendly digital control panel for easy cycle selection and a powerful motor designed for effective cleaning performance. With its spacious drum capacity and water-saving technology, this appliance offers a reliable and practical solution for everyday laundry needs.

Performance

Wash/Spin Capacity	10 kg
Maximum Power Consumption	450 W

Physical Dimensions

Net Weight	33 kg
Overall Dimensions	600 x 620 x 1000 mm

Logistics

Quantity per 40'HQ Container	152
