Product Overview

Efficient Evaporative Humidification

The HCX-H602T is a high-performance evaporative humidifier designed to maintain optimal air quality in spaces ranging from 20 to 30 square meters. Featuring a 4L water capacity and a convenient top-fill design, it delivers a consistent mist output of 250ml/hour to combat dry air effectively. With integrated UV degerming and a digital display, this unit combines health-conscious technology with user-friendly controls for a more comfortable indoor environment.

Performance & Capacity

Performance Highlights

250 ml/h
Mist Output

4 L
Water Capacity

30 m²
Max Coverage

Technical Specifications

Electrical Parameters

Parameter	Value
Voltage	110V / 240V (50-60Hz)
Power Consumption	18W
Material	ABS Plastic

Features & Functions

Core Functions

Humidity Control, Fogmeter, Sleep Mode, Timer, Night Light, UV Degerming, WIFI (Optional)

Safety & Design

Safety & Maintenance

- Top water filler for easy refills
- Water shortage protection mechanism
- Overfall gap to prevent overflow
- Transparent water level window
- Replaceable humidifying wick filter

Physical Dimensions

Product Size	238.5 x 238.5 x 382 mm
