

# Excavator Side Cutter

This side cutter is designed for use in construction machinery, specifically for excavation and material handling. It provides enhanced cutting performance and durability for heavy-duty applications.

## Product Overview

### High-Performance Excavator Side Cutter

This durable side cutter is engineered for heavy-duty excavation and material handling operations. Manufactured using a precise lost wax casting process, it offers exceptional reliability in demanding construction and mining environments. With a robust hardness rating and high impact resistance, this component is designed to enhance cutting performance and extend equipment longevity.

## Technical Specifications

### Impact Resistance

**18 J**

Impact Energy

### Available Colors

Yellow • Black • Green • Gray

### Material

Alloy steel

### Manufacturing Process

Lost wax casting

### Hardness

48-52 HRC

### Weight

29 kg

## Compatibility & Range

### Compatibility Overview

- PC60-PC1250, WA380, WB93
- R130-R500
- 18s-45s, V17TYL-V61SYL, 18TL-30TL, 25RC12, 35RC14
- SK200, SK230, SK350
- 230SP, 23TL, 23WTL, 240S, 250S
- 81010600, 81010630, 81010640
- 3031537, 4046819, 4047167, 4046797
- 146220M3
- 1171-01620, 1171-01900, A55L50, 14553244TL

### Part Numbers

2713-1059, 2713-1060

## Quality & Service

Quality Standards	ISO9001:2008
Shipment Lead Time	15-40 days
