

Fiber Reinforced Polymer Front Bumper for Daily Series

Front bumper designed for Daily series vehicles. Constructed from durable FPR (Fiber Reinforced Polymer) material, it offers a balance of strength and lightweight properties.

Product Overview

Fiber Reinforced Polymer Front Bumper

This front bumper is specifically engineered for the Daily series, constructed from durable Fiber Reinforced Polymer (FRP) to provide an optimal balance of strength and lightweight performance. The design features integrated recesses for grilles and fog lights, ensuring a seamless factory-style appearance and precise fitment. It is built to offer reliable impact protection while enhancing the vehicle's overall aesthetic.
