

# Fiberglass Handle Ball Pein Hammer - 1 lb

This ball pein hammer is designed for shaping metal, riveting, and striking punches and chisels. It features a hardened steel head with a ball-shaped pein and a durable fiberglass handle.

## Product Overview

### Professional Ball Pein Hammer

This 1 lb ball pein hammer is engineered for precision and durability in professional environments. Featuring a robust fiberglass handle for shock absorption and a hardened steel head, it is designed for demanding tasks such as metal shaping, riveting, and striking punches or chisels. Its ergonomic construction ensures a secure grip and reduced user fatigue, making it an essential tool for automotive repair and metalworking applications.
