

Fish-Shaped USB Flash Drive with Lanyard

This compact USB flash drive features a playful fish-shaped design. It includes a decorative lanyard for convenient carrying.

Product Overview

Fun and Functional Data Storage

This unique fish-shaped USB flash drive combines playful aesthetics with practical storage capabilities. The design consists of a distinct two-part structure, featuring a vibrant red and blue stylized fish body that effectively conceals the connector. Equipped with a matching lanyard, this drive is a convenient solution for users needing a portable and eye-catching way to carry their digital files.
