

Fixed Flat Screen TV Wall Mount for 42-70 inch TVs

This fixed wall mount is designed for 42-70 inch flat screen TVs, providing a secure and low-profile display. Its lateral shift feature allows for easy adjustment to achieve the optimal viewing angle.

Product Overview

Professional Flat Screen Wall Solution

This universal fixed TV wall mount is an excellent alternative to bulky TV stands, designed to provide a sleek, low-profile installation for 42 to 70-inch displays. Engineered from heavy-duty steel, it supports weights up to 40kg while maintaining a slim 20mm distance from the wall. Its lateral shift functionality and secure locking mechanism ensure a perfect, stable setup for both home theaters and professional commercial environments.
