

Flat Screen Television

This flat screen television is designed for home entertainment. It features a flat screen display with a black bezel and includes a stand.

Product Overview

Versatile Visual Performance

This flat screen television is designed to provide clear, reliable visual performance for diverse environments. With its minimalist black bezel, it integrates seamlessly into office spaces, conference rooms, or hospitality settings. The included stable stand ensures easy placement on any flat surface, making it an ideal choice for professional display needs.
