

Floral Capsule Decorative Object

This green, capsule-shaped object features a floral design with white flowers and swirling vines. The object showcases a gradient, transitioning from a lighter green at one end to a darker green at the other.

Product Overview

Elegant Floral Design

The Floral Capsule Decorative Object is a refined accessory featuring a sophisticated gradient finish transitioning from light to dark green. Adorned with delicate white flowers and swirling vines, it serves as a versatile piece for home or office decor. Its unique capsule shape makes it an excellent choice for a decorative display item or a high-quality protective case.
