

Floral Print Gardening Gloves with Leather Palm

These gardening gloves feature a vibrant purple fabric with a floral design. The gloves have reinforced white leather palms and finger panels for enhanced protection.

Product Overview

Stylish and Durable Protection

These gardening gloves combine aesthetic appeal with functional durability, making them an excellent choice for professional and hobbyist gardeners alike. The vibrant purple fabric features a cheerful yellow floral design, while the reinforced white leather palms and finger panels ensure superior grip and protection. Designed for comfort and longevity, these gloves are a reliable companion for various outdoor tasks.
