Product Overview

Professional Network Connectivity

This flush-mount computer outlet is designed for seamless integration into modern residential and commercial interiors. Engineered with a lossless structure, it minimizes contact resistance and heat generation, ensuring a reliable connection for your network infrastructure. The outlet supports standard wiring configurations, providing a durable and aesthetically pleasing solution for structured cabling systems.

Technical Specifications

Model Number	KJT01CM/CAT/B
Wiring Standard	T568A/B
Mounting Type	Flush Mount
Gang Count	1
Color	Matte Silver

Key Features
