

Flush Mount Floor Box Receptacle

Flush mount floor box receptacle provides convenient access to power outlets. It is designed for installation in flooring, offering a discreet and space-saving solution for electrical connectivity.

Product Overview

Professional Floor Connectivity

This flush mount floor box receptacle provides a discreet and reliable solution for electrical connectivity in commercial environments. Engineered for seamless integration into flooring, it eliminates trip hazards while ensuring power is always within reach. The durable construction and protective flip-top cover make it an ideal choice for high-traffic areas such as offices, conference rooms, and collaborative workspaces.
