

Technical Parameters

Mechanical Life

1000000 cycles
Pushbutton

500000 cycles
Selector Switch

Electrical Life

5000000 cycles
Pushbutton

250000 cycles
Selector Switch

Rated Insulation Voltage	600 V
Conventional Heating Current	10 A
Insulation Resistance	e5M©
Contact Resistance	d25©
Withstand Voltage	AC 2.5KV/min

Compliance & Standards

Standards Compliance

- GB/T14048.1
- IEC60947-5-1

Certifications	CE, ISO 9001, ROHS, UL
----------------	------------------------

Material & Construction

Housing Material	Zinc alloy and high-grade anti-flame plastic
Contact Material	Special silver alloy
