

Fluted Edge Cookie Cutter Set

This cookie cutter set includes three round cutters with fluted edges. Made of stainless steel with white plastic rims and handles, the set offers varying sizes for diverse cookie creations.

Product Overview

Professional Grade Fluted Edge Cutters

This versatile set of three round cookie cutters is designed for precision and ease of use in any professional or home kitchen. Featuring a distinct fluted edge, these tools create elegant, decorative shapes for cookies, pastries, and doughs. The robust stainless steel construction paired with comfortable white plastic rims ensures long-lasting durability and clean, consistent results with every press.
