

# Foldable Reflective Warning Triangle for Roadside Safety

This reflective warning triangle alerts other drivers to a stopped vehicle during roadside emergencies. It is constructed from durable plastic with highly reflective red panels for excellent visibility, day or night.

## Product Overview

### Roadside Emergency Safety Solution

This foldable reflective warning triangle is an essential safety tool designed to alert oncoming traffic to a stopped vehicle during roadside emergencies. Constructed from durable plastic, it features highly reflective panels that ensure maximum visibility during both day and night conditions. Its practical foldable design allows for space-efficient storage in any vehicle, while the sturdy base ensures stability on the road.
