

Foldable Reflective Warning Triangle

This reflective warning triangle alerts other drivers of a vehicle breakdown or emergency. It features a bright red reflective surface, a hollow triangular center, and a foldable design with a stable base.

Product Overview

Professional Road Safety Solution

This foldable reflective warning triangle is an essential safety device designed to alert other drivers of a vehicle breakdown or road emergency. Featuring a bright red reflective surface, it ensures high visibility even in challenging conditions. Its foldable design allows for space-saving storage, while the stable base and support legs ensure secure placement on the road surface.
