

Folding Commuter Bicycle

This folding bicycle is designed for easy storage and portability. It is equipped with 20-inch wheels, front and rear fenders, and a sprung saddle, making it ideal for urban commuting and recreation.

Product Overview

Versatile Urban Commuting Solution

This folding commuter bicycle is engineered for maximum portability and convenience in urban environments. Its compact folding design allows for easy storage in tight spaces, making it an ideal choice for multi-modal commuters and residents with limited storage areas. Featuring a robust step-through frame and comfort-oriented components, it offers a reliable and enjoyable riding experience for daily errands or casual recreational outings.
