

# Folding Hand Trolley with 150kg Capacity

This hand trolley has a maximum load capacity of 150kg. Its over size is 725\*472\*820mm, and its folding size is 725\*472\*135mm.

## Product Overview

### Professional Folding Hand Trolley

This durable folding hand trolley is engineered for efficient material handling in warehouses and industrial settings. It features a robust platform with a non-slip surface and protective plastic bumpers to ensure safe transport and prevent damage to surrounding infrastructure. Designed for convenience, the handle folds down for compact storage, making it an ideal solution for space-constrained environments.
