

Folding Under-Desk Treadmill

This under-desk treadmill features a foldable design for easy storage and portability. It has a speed range of 1.0 to 6.0 km/h and supports a load capacity of 220 lbs.

Product Overview

Compact Fitness for Professional Environments

This under-desk treadmill offers a seamless way to integrate physical activity into your workday without sacrificing space. Designed with a convenient folding mechanism, it can be easily stored under furniture or in small corners when not in use. Its quiet operation and intuitive control options make it an ideal companion for sit-stand desks, allowing you to stay active while typing or taking calls.
