

# Food Dehydrator with Digital Controls

This food dehydrator is equipped with food-grade 304 stainless steel racks and a PP housing. It includes a control panel with a touch screen and digital display for precise control.

## ADDITIONAL IMAGES

## Overview

### Professional Grade Dehydration

This stainless steel food dehydrator is designed for efficient, all-natural food preservation at home. Featuring a spacious 6.8L capacity across 4 trays and horizontal air flow technology, it ensures even drying for fruits, vegetables, herbs, flowers, and meats. With digital controls for precise timing and temperature, it provides a quiet, additive-free solution for creating healthy snacks and pet treats.
