Product Overview

Professional Food Dehydrator

This stainless steel food dehydrator is designed for efficient, all-natural preservation of vegetables, fruits, herbs, flowers, and meats. Featuring a spacious 15-liter capacity with 6 stainless steel trays, it utilizes rear-mounted horizontal air flow to ensure even drying without the need for additives or preservatives. With intuitive digital controls, an auto shut-off timer, and quiet operation, it is an ideal solution for consistent, high-quality dehydration at home or in small-scale professional settings.
