

Foot Operated Tire Inflator with Gauge

This foot-operated air pump is designed for inflating tires and other inflatable items. It features a durable metal frame, a non-slip foot pedal, and a built-in pressure gauge for accurate inflation.

Product Overview

Professional Grade Foot-Operated Inflator

This durable foot-operated air pump is engineered for reliable performance across a variety of tire types and inflatable items. Constructed with a sturdy metal frame and a non-slip pedal, it ensures stability and ease of use during operation. The unit features an integrated precision pressure gauge and a universal valve connector, making it an essential tool for garage, home, or on-the-go maintenance.
