

# Four Burner 60cm Gas Hob

This 60cm gas hob features four burners, including one rapid burner, two semi-rapid burners, and one auxiliary burner. It is designed for built-in installation in standard kitchen countertops.

## Overview

### Efficient Cooking Performance

This 60cm gas hob is designed for modern kitchen integration, featuring a durable black glass surface and robust cast iron pan supports. It offers four distinct cooking zones to accommodate various culinary needs, from rapid boiling to gentle simmering. With front-mounted ergonomic controls, it provides a user-friendly and reliable cooking experience for professional or home environments.
