

Four-Door Sedan Taxi

This is a used four-door sedan taxi. It is equipped with a roof-mounted taxi sign.

Overview

Urban Transportation Solution

This four-door sedan is specifically configured for taxi and urban transportation services. Featuring a durable design with a distinctive silver bumper and integrated roof-mounted taxi signage, it is built for reliability in city environments. Its accessible four-door layout ensures passenger convenience, making it an ideal choice for fleet operators looking for standard, functional transit vehicles.
