

Four-Lamp Bathroom Heater with Ventilation Fan

This ceiling-mounted bathroom heater features four infrared heat lamps and a central ventilation fan. The unit provides instant warmth and ventilation suitable for residential bathrooms.

Overview

All-in-One Bathroom Climate Solution

This ceiling-mounted bathroom heater provides a comprehensive solution for bathroom comfort, combining instant infrared heating, illumination, and ventilation in a single unit. Equipped with four high-efficiency heating lamps and a powerful ventilation fan, it ensures rapid warming and effective moisture removal. Its clean, white design integrates seamlessly into modern bathroom ceilings, making it an ideal choice for residential environments.
