

Four-Stroke Engine Hedge Trimmer

This hedge trimmer is powered by a four-stroke engine, providing reliable cutting for hedges and shrubs. It features durable cutting blades with precision-engineered teeth for clean cuts.

Product Overview

Professional Performance

The GL35HT-FS750 is a high-performance hedge trimmer designed for both professional and domestic landscaping tasks. Powered by a reliable 4-stroke, air-cooled engine, it delivers efficient cutting power with reduced maintenance compared to 2-stroke alternatives. Its ergonomic design and 750mm blade length ensure comfortable operation and precise results for maintaining hedges and shrubs.

Engine Specifications

Engine Type	Air-cooled, 4-stroke, single cylinder gasoline
Displacement	33.5 cc
Fuel Tank Capacity	650 ml
Idling Speed	3500 rpm

Performance Metrics

Maximum Output

1.1 kW

Power (kW)

1.5 Hp

Power (Hp)

Technical Dimensions

Bore x Stroke	39 x 28 mm
Blade Length	750 mm
Dry Weight	7.6 kg

Features

Ignition System	CDI
Blade Configuration	Single blade
