

Free Standing Dishwasher with Digital Display

This free standing dishwasher is designed for household use. It features a control panel with a digital display and multiple function buttons.

Overview

Professional Dishwashing Performance

This 60cm free-standing dishwasher is designed to provide efficient and flexible cleaning solutions for modern kitchens. With a generous 14-place setting capacity and eight specialized wash programs, it handles everything from delicate glassware to heavily soiled cookware with ease. The sleek, fingerprint-proof stainless steel finish ensures durability and aesthetic appeal, while advanced features like delay start and dual-zone wash offer maximum convenience for busy households.
