Product Overview

Versatile 60cm Freestanding Gas Range

This 60cm freestanding oven combines a high-performance 4-burner gas cooktop with a spacious 56L electric oven, making it an ideal choice for professional kitchen environments. Designed with flexibility in mind, it features multiple burner sizes for precise cooking control and 8 distinct oven functions to accommodate various culinary needs. With its durable stainless steel construction and user-friendly features like a triple-glazed removable door, this unit balances efficiency, safety, and ease of maintenance.
