

Freestanding Hot and Cold Water Dispenser

This freestanding water dispenser provides hot, cold, and ambient water options. It features a bottle-fed design compatible with standard 3 or 5-gallon water bottles and requires a standard electrical outlet.

Product Overview

Convenient Hydration Solution

This freestanding water dispenser is designed to provide immediate access to hot, cold, and ambient water for both home and office environments. Featuring a durable stainless steel finish and an intuitive digital display, it combines modern aesthetics with practical functionality. The unit includes a child safety lock for the hot water tap, ensuring safe operation in busy spaces.
