

Freestanding Hot and Cold Water Dispenser

This freestanding water dispenser offers hot, cold, and ambient water options. It includes a removable drip tray and indicator lights for cooling, heating, and power.

Product Overview

Professional Water Dispenser Solution

This freestanding water dispenser is an ideal solution for offices and home environments that require reliable access to water. It provides three distinct temperature settings—hot, cold, and ambient—to cater to diverse beverage needs throughout the day. Designed with convenience in mind, the unit features a removable drip tray for easy maintenance and clear indicator lights for status monitoring.
