

# Full Motion TV Wall Mount for 32-65 inch TVs

This full motion TV wall mount extends the TV from the wall, providing ample space for tilting to eliminate screen glare. It is ideal for installation above eye level, such as over a fireplace, offering a pleasant viewing angle.

## Overview

### Versatile Full-Motion Viewing

This full-motion TV wall mount offers a robust steel construction designed to support televisions ranging from 32 to 65 inches. With a wide 180-degree swivel and tilt capabilities, it allows for flexible viewing angles to reduce glare and optimize comfort in any room. The mount extends up to 512mm from the wall, providing easy access to cables while maintaining a sleek, secure profile when retracted.
