

Full Motion TV Wall Mount for 32- to 55-inch TVs

This full motion TV wall mount is designed for 32- to 55-inch LED/LCD TVs. It supports a maximum VESA pattern of 600x400mm and a maximum loading capacity of 45kg.

Overview

Professional Full Motion TV Wall Mount

This high-performance full motion wall mount is engineered for 32- to 55-inch LED/LCD televisions, offering a robust solution for professional installations. Constructed from high-gauge cold rolled steel with durable aluminum arms, it ensures stability and safety for loads up to 45kg. Its ultra-slim design and versatile range of motion allow for precise positioning, making it an ideal choice for residential or commercial display setups.
