

Full Motion TV Wall Mount for 37-90 inch TVs

This full motion mount is constructed with high gauge steel and designed for most 37"-90" flat panel TVs up to 75kg/165lbs. It allows you to have your flat panel TV tilted for glare control or optimum viewing angle, pulled out from the wall (635mm extension) and angled towards a separate viewing area.

Overview

Robust Full-Motion Support

This solid, full-motion mount is engineered for large flat-panel TVs ranging from 37 to 90 inches. Constructed from high-gauge steel, it supports weights up to 75kg, ensuring stability and safety for your display. The design offers comprehensive adjustment capabilities, including tilt for glare control, swivel for flexible viewing angles, and a significant arm extension for optimal positioning.
