

Garment Steamer with Adjustable Pole

This garment steamer features a 1.7L water tank and provides continuous steam for up to 55 minutes. It has an adjustable telescopic pole, stainless steel steam brush, and is available in yellow, red, and blue.

Product Overview

Efficient Garment Care

This garment steamer is designed for efficient and convenient wrinkle removal, making it an ideal solution for maintaining a crisp, wrinkle-free wardrobe. Featuring a sturdy adjustable pole and a flexible hose with a stainless steel steam brush, it offers both stability and precision for targeted treatment. With a generous 1.7L water tank and 55 minutes of continuous ironing time, it is well-suited for both home and light commercial applications.
