Overview

Professional Land Clearing Performance

This gasoline-powered brush cutter is engineered for demanding land clearing tasks, effectively managing thick brush, weeds, and small trees. Featuring a reliable two-stroke engine and ergonomic handle design, it balances power with user comfort for extended operational periods. Ideal for landscaping, agricultural, and forestry applications, this tool provides the maneuverability and efficiency required for various terrains.

Engine Performance

Power Output

1.45 KW

Power

7000 r/min

Rated Speed

Engine Model	1E40F-6
Fuel Mix Ratio	25:1
Fuel Tank Capacity	1.8 L

Physical Specifications

Dimensions

Component	Size (mm)
Engine	310 x 230 x 280
Working Pole	1660 x 110 x 110
Total Weight	7.2 kgs
Aluminium Pipe Diameter	26 mm

Operation	
Working Form	Shoulder-mounted
Key Features	Air-cooled Engine, Safety Switch, Throttle Control, Adjustable Harness
