

Gasoline Powered Brush Cutter

This brush cutter features a primer bulb for easy starting and an effective anti-vibration system. It also has an automatic oil pump, oil lubrication, and an engine clean air-intake system.

Product Overview

Professional-Grade Brush Cutter

This gasoline-powered brush cutter is engineered for the efficient clearing of dense vegetation, brush, and weeds. Featuring a robust 25.4cc engine and ergonomic design, it delivers consistent high performance while reducing user fatigue during extended operation. It is an ideal solution for landscapers and property maintenance professionals requiring precision and durability in demanding environments.

Technical Specifications

Engine Displacement	25.4 cc
Maximum Power	700 W
Fuel Mixture Ratio	25:1
Ignition System	C.D.I

Physical Attributes

Pole Diameter	26 mm
Net Weight	6 kg
