Overview

Professional Grade Brush Cutter

This gasoline-powered brush cutter is engineered for efficient vegetation management and land clearing tasks. Featuring a reliable 31cc air-cooled, two-stroke engine, it delivers consistent power for demanding outdoor work. The ergonomic design includes a comfortable harness system, ensuring operator comfort during extended use in professional or home gardening applications.

Engine Specifications

Engine Model	139F
Engine Type	Air-cooled, two-stroke, single cylinder gasoline
Displacement	31 cc

Performance Metrics

Power & Speed

0.7 kw

Engine Power

6500 r/min

Rated Speed

2700 r/min

Average Idling Speed

Technical Details

Fuel System	Pump-film type carburetor
Fuel Tank Capacity	1000 ml

Physical Dimensions

Total Machine Weight	7.7 kg
Engine Net Weight	3.5 kg
External Dimensions	1850 x 520 x 400 mm
Pipe Diameter	26 mm

Operational Features

Carrying Type
Bear Harness
