Product Overview

Professional Grade Brush Cutter

This gasoline-powered brush cutter is engineered for heavy-duty vegetation management, offering a robust solution for clearing overgrown areas. Equipped with a high-performance two-stroke engine, it delivers consistent power and reliability for demanding landscaping tasks. Its ergonomic design ensures operator comfort during extended use, making it an ideal choice for professional grounds maintenance.

Engine Specifications

Engine Power

1250 W
Rated Power

Engine Model	40F-5
Engine Type	Single-cylinder, air-cooled, two-stroke
Displacement	42.7 cc

Fuel & Operation

Fuel Capacity	1000 ml
Fuel/Oil Mixture Ratio	25:1

Structural Specifications

Model ID	BC-430
Pipe Diameter	26 mm
