

Gasoline Powered Brush Cutter

This brush cutter features a lightweight, compact construction for easy operation. It is designed for efficiently cutting through thick grass, weeds and brush.

Product Overview

Professional Performance Brush Cutter

This gasoline-powered brush cutter is engineered for efficiency and reliability when tackling thick grass, weeds, and brush. Featuring a 25.0ml engine and a 430mm cutting swath, it provides the power and maneuverability required for demanding landscaping tasks. Designed for durability, this tool is an excellent choice for professionals seeking consistent performance in various outdoor environments.

Engine Specifications

Displacement	25 ml
Bore x Stroke	33.4 x 28.6 mm

Performance Metrics

Max Output

0.65 kW
Max Output

0.88 Hp
Max Output

Max Speed	9000 rpm
Idling Speed	3500 rpm

Cutting Capabilities

Cutting Swath	430 mm
Line Diameter	2.5 mm

Fuel and Operation

Fuel Mixing Requirements

Usage Period	Mixing Ratio
Up to 20 hours	20:1
After 20 hours	25:1

Fuel Tank Capacity	310 ml
