Product Overview

High-Performance Gasoline Chainsaw

This gasoline-powered chainsaw is engineered for durability and high-temperature performance, making it an ideal choice for medium-density wood felling and general cutting tasks. It features a powerful 58cc 2-stroke engine and an easy-start system for reliable operation in demanding environments. Designed for efficiency, this unit provides the necessary power for professional and home-use applications like tree felling, pruning, and firewood preparation.

Engine Specifications

Maximum Power

2.4 kW

Max Power

8500 RPM

Rated Speed

Engine Type	2-Stroke, Air Cooling, Single Cylinder
Displacement	58 cc
Idling Speed	2800-3200 RPM

Operational Details

Fuel Mixture Ratio	25:1 (Gas:Oil)
Fuel Tank Capacity	550 ml
Oil Tank Capacity	260 ml

Cutting Capabilities

Compatible Bar Sizes	16 inch, 18 inch, 20 inch, 22 inch
Chain Pitch	.325 / 3/8

Package & Accessories

Included Accessories

- Engine Unit
- Guide Bar
- Chain
- Bar Cover
- Mixture Pot
- Manual
- Tool Kits

Packaging Dimensions	50 x 27 x 28 cm
