

# Gasoline Powered Lawn Power Rake

This power rake is powered by a reliable 6.5hp engine and has a 47cm/19" working width. The pressed steel body has a hard wearing powder-coated paint finish and is extremely durable.

## Overview

### Professional Lawn Power Rake

This gasoline-powered power rake is designed for efficient lawn dethatching and soil preparation, making it an essential tool for maintaining turf health. Featuring a robust pressed steel body with a durable powder-coated finish, it is built to withstand demanding landscaping applications. The machine utilizes a clutch-controlled raking rotor to effectively remove thatch buildup and lift organic matter, promoting stronger grass growth.

## Engine & Performance

Engine Power	5.5 HP
Max Blade Rotation Speed	1250 r/m

## Technical Specifications

Model Number	WB486CRH
Rake Width	467 mm
Rake Spacing	33 mm
Height Adjustment	70 mm
Dimensions (L x W x H)	1120 x 690 x 1080 mm

## Key Features

Construction Highlights	Pressed Steel Body, Powder-Coated Finish, Clutch System, Gasoline Powered
