Overview

Reliable Power Generation

This gasoline silent generator is engineered for efficient and quiet power generation, making it an ideal solution for noise-sensitive environments. With versatile power output options ranging from 3.5kW to 7.0kW, it provides dependable electricity for backup power, construction sites, and outdoor events. The robust engine and durable construction ensure long-lasting performance in demanding conditions.

Technical Specifications

Available Power Outputs

- 3.5kW
- 4.0kW
- 5.0kW
- 6.0kW
- 7.0kW

DC Output

12 V

Voltage

8.3 A

Current

Features & Compliance

Key Features

Silent Operation • Voltmeter • Circuit Breaker • Portable Wheels

Certifications

ISO9000
